PRAISE FOR WES SCHAEFFER'S "THE IMPLEMENTORS IN LIFE"...

"One word—PROFOUND. This has done more than you know for me right now."

Omari Broussard, Owner, 10X Defense

"Wes is the real deal. He looks you in the eyes and you feel seen, but not analyzed. You feel listened to, not just heard. He provides value, not just data. Wes makes facing your weaknesses easy (as easy as facing weaknesses can be)."

Lindsay Blue, Owner, INKED IN

"Wes is an epic storyteller...(who) delivers powerful content in a way that keeps me on the edge of my seat."

John Lee Dumas, Entrepreneur On Fire

"I would like to thank you for giving our staff some rock solid training and truly 'new' techniques in selling. I've sat in front of some of the best, from Tony Robbins to Tom Hopkins...and You Rock!"

Tina Finn, Inner Power Leadership
